Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a response to the restriction requirement dated February 7, 2005 with the applicant's election of Group I.

Claims 16-27 and 37-44 are cancelled.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: The closest prior art reference of record is the EPO reference to Hodges (EPO 0 320 098 A2). The reference teach various features of claims 12 and 33; however, the reference fails to teach or suggest the features of the address assigning means of estimating a size of each instruction in the instruction sequence, the converting means of converting an instruction that has a label that should be resolved by an address of a specified instruction into an instruction with a size that is based on a size of the address of the specified instruction and the optimizing code generating means for generating optimized code by the converting addresses of instructions in accordance with the sizes of instructions after conversion by the converting means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

3. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because figure 1 is listed as conventional and therefore, should be labeled as "Prior Art". Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Chavis whose telephone number is (571) 272-3720. The examiner can normally be reached on M-Th, 7:30am-4:00pm, EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tuan Dam can be reached on (571) 272-3695. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
